

# LLOYDMINSTER MINOR BALL ASSOCIATION 2017 INITIATION REGISTRATION FORM

The initiation Program is for the following age groups:

- Girls - born between 2009 and April 2013 (must be 4 by May 1, 2017)
- Boys - born between 2010 and April 2013 (must be 4 by May 1, 2017)

Players will be placed in levels and on teams based on experience and skill level. Each level runs two nights a week for approximately 75 minutes.

**Level 1:** This program introduces children to the sport. Through a series of different stations children will learn basic skills of batting, throwing and catching using baseballs and softballs. Parent involvement is a key element.

**Level 2:** In this division players are introduced to the basics of ball. They learn about positions and plays such as outs. The season will consist of practices and games. All pitching is done by an adult. Players at this level should have some basic skill development, though not mandatory.
